Vinyl

Residential Doors, Cabinetry & Joinery

Why Arborite

Established in Canada in 1948 as a laminate manufacturer, Arborite has developed an enviable reputation for design and quality.

An industry pioneer, Arborite has grown to become one of the world's most innovative decorative surface manufacturers and is recognised for its superior customer service and reliability.

PEACE OF MIND

For the Australian market, Arborite Doors are manufactured in Melbourne and carry a 7 year warranty.

TRUSTED BY THE INDUSTRY

Kitchen manufacturers around the world have chosen Arborite products for over 70 years.

ON-TREND DECORS

With an eye to the design community, we are always introducing new colours and patterns that complete Arborite's well-rounded selection.

INNOVATIVE FINISHES

Arborite features a variety of unique, decor enhancing surface finishes including Supermatt, Gloss, Texture, Satin and Grains & Textures.

Why Vinyl

Whether you prefer sleek and modern or sculpted and traditional, Vinyl Doors can bring a unique look to your space.

TIMBER GRAINS

With a combination of realistic and wood-inspired designs these curated, organic patterns provide the opportunity to use rare and endangered wood sustainably, or to choose from classic, traditional wood patterns for use in a wide variety of applications. Coupled with the seamless edge of vinyl, these woodgrain designs emulate natural timber doors.

Vinyl Finishes

Arborite features a variety different surface finishes across a wide range of decors – Gloss, Matt, Satin & Supermatt as well as organic wood grain and unique textured finishes. These finishes will add another dimension to your surface and create endless design possibilities, along with high-performance.

SUPERMATT (SM)
A low sheen, matt finish with a super smooth feel. This finish on trend enhance both solid colours & timber grains and bring another sensory dimension to your design.

MATT (M)
A fine beaded finish, perfect for minimising smudges and finger marks on surfaces.

GLOSS (GL)
A highly polished luxurious effect with excellent reflective properties, which adds a unique touch of sophistication to dark woods and accentuates the depth of plain colours.

SATIN (S)
A smooth textured finish with sheen.

TEXTURE (TX)
A fine beaded finish, perfect for minimising smudges and finger marks on surfaces.

GRAINS & TEXTURES (G&T)
This texture group is comprised of various unique woodgrain & textured finishes. Please refer to sample for specific texture.
