# Velocity® Large Rose Series Element Lever

Be confident with a design that transcends the basic functional and aesthetic requirements of residential hardware.

Setting the benchmark in ease of installation, the Lockwood Velocity leverset is supplied pre-assembled with no loose screws or spindles. Screws align through the rose removing the need to locate them blind through the door. A twist and a quick tightening of the screws and the levers are installed!

Featuring a 63mm round rose or 66.5mm square rose, the Nero® Velocity Large Rose Series is suitable for retrofit and common residential door preparations.

## Features

- All fixings are concealed beneath a removable rose trim providing a crisp and clean presentation desired by the discerning home owner
- Simple twist and tighten fixing method with pre-assembled lever set allows for super easy and fast installation
- Available in a choice of square or round rose with the Element lever design
- Designed in Australia for the specific needs of the Australian market

# Velocity® Small Rose Series Leversets

Capture the aesthetic tone of on trend design whilst maintaining utilitarian desire with the Nero® Velocity Small Rose Series.

Designed for semi-commercial and residential applications, this range can be used with commercial mortice locks in addition to having passage, privacy and dummy leversets.

## Features

- All fixings are concealed beneath a removable rose trim providing a crisp and clean presentation desired by the discerning home owner
- Simple twist and tighten fixing method with pre-assembled lever set allows for super easy and fast installation
- Choose from two lever designs, the ever popular Element L3 lever and the AS1428.1 compliant Dianella L8 lever
- Available in a choice of square or round rose
- Successfully tested up to 2 hours on fire door assemblies with the Australian Standard AS1905.1 2005 - Part 1: Fire Resistant Doorsets when used with Lockwood Synergy or Selector mortice locks
- Includes range of escutcheons such as a AS1428.1 compliant turnknob, standard turnknob and privacy indicating emergency turn.
