

SPECIALTY DOORS

Australia's Wholesale Specialist

Specialty Doors is a family owned and run business which has been operating for 20 years, supplying high quality timber doors Australia wide.

Features include:

Our Timber Flywire Doors are made from select grade Victorian Ash.

Black aluminium flywire is used as standard on all of our Timber Flywire Doors.

Tuffscreen Mesh available

All Timber Flywire Doors are available in 22mm thick or 30mm thick

Specialty Doors keep the full range of 22mm Timber Flywire doors in stock, 2040x820mm.

Timber Flywire Doors are a great addition to any house. Perfect in summer to allow breeze into your home, while keeping unwanted bugs out.

Our Flywire doors can be made to any size, to suit any jamb, timber or aluminium.
